

CMS Certified Surveys **Are you ready?**

START NOW

OAS CAHPS

Simple Admit and RMS are your turnkey solution. We manage the patient information *and* conduct the surveys.

Simple Admit is the leader in collecting and managing patient information. The most current and accurate patient data is automatically transferred to RMS, saving you the costly efforts associated with collecting and uploading data.

RMS has 15 years CAHPS experience and has been named one of the top patient satisfaction measurement firms in the country.

- Automated data interface
- No chasing patient data
- 300 completed surveys guaranteed
- Flat-rate pricing
- No hidden fees; no added costs
- 24/7 data response portal
- Periodic reports with data analysis

One solution. Two industry leaders...
